Requesting Entitlement Override in AIMSPlus App

Navigate to In-Stock Material

After logging into the app, expand the 'Assign' category. Click on "In-Stock Material" from the navigation on the left hand side of the screen. Select the dropdown to switch between markets. Search is available by Site ID.

Select Material for Entitlement Request Material eligible for an entitlement request will have an 'information' icon in the checkbox column. Hover over the icon for more information (This icon is not clickable). Select Site Kit SAP to view packing slip details page.

Requsting EC Override

From Select the 'Request EC Override' button to begin the process for submitting an entitlement request.

Submitting EC Override Request

To submit a request, confirm VP approval and enter the person you got approval by, and enter the reason for requesting an EC Override. To submit your request select the 'Submit Request' button. You will be notified of a decision, if denied, you will not be able to submit another request for that sitekit.
